Q1 What is your name? Which office are you running for and which district do you hope to represent?

Anita Thorne State house seat district 26

Q2 What is your vision for Alaska when it comes to reducing sexual assault and domestic violence? What steps are you prepared to take to get there?

The goal should be zero sexual assault and domestic violence in Alaska. I am committed to meeting with groups or working on bills proposed.

Q3 Are you familiar with local programs that provide domestic violence and sexual assault services to victims across Alaska? Have you recently visited your local domestic violence/sexual assault shelter or victim services program? What is your plan to support these programs?

I know there are local programs but I have not visited them. I would like to learn more.

Q4 What responsibilities do you believe the Legislature and our elected officials hold in advancing efforts to prevent domestic violence and sexual assault? Would you be willing to maintain or increase the current level of funding for prevention and victims services?

We should provide funding for programs if it is available.

Q5 Alaska's 2017 Youth Risk Behavior Survey reports that 1 in 10 Alaskan students had experienced sexual violence (being forced by anyone to do sexual acts) during the past year. Do you feel that sexual assault, sexual abuse, and dating violence prevention education should take place in our schools and in what way would you suggest enhancing efforts to educate Alaska's youth on these important subjects? Who do you think shares this responsibility?

It should take place in the schools and at home.
