Page 1: 2018 Candidate Survey

Q1 What is your name? Which office are you running for and which district do you hope to represent?

Kevin McKinley State House District 5

Q2 What is your vision for Alaska when it comes to reducing sexual assault and domestic violence? What steps are you prepared to take to get there?

My vision is to end the violence and assaults. Work with ANDVSA to help with solutions that work.

Q3 Are you familiar with local programs that provide domestic violence and sexual assault services to victims across Alaska? Have you recently visited your local domestic violence/sexual assault shelter or victim services program? What is your plan to support these programs?

I am but I have not visited one. As a candidate and as a new legislator I want to learn more about the programs that are available and support funding for these programs.

Q4 What responsibilities do you believe the Legislature and our elected officials hold in advancing efforts to prevent domestic violence and sexual assault? Would you be willing to maintain or increase the current level of funding for prevention and victims services?

Making this cause a priority of my agenda and working with other legislators to provide funding at the maximum amount possible.

Q5 Alaska's 2017 Youth Risk Behavior Survey reports that 1 in 10 Alaskan students had experienced sexual violence (being forced by anyone to do sexual acts) during the past year. Do you feel that sexual assault, sexual abuse, and dating violence prevention education should take place in our schools and in what way would you suggest enhancing efforts to educate Alaska's youth on these important subjects? Who do you think shares this responsibility?

I do support this type of education being taught in schools. Executive, legislative and judicial branches of government all share in the responsibilities as well as the community and families.
